

EVALUATION AND APPRAISAL REPORT OF THE CITY OF FELLSMERE COMPREHENSIVE PLAN

CHAPTER FOUR – RECOMMENDATIONS FOR POLICY AMENDMENTS TO ADDRESS CHANGES TO STATE STATUTES & RULES

State Comprehensive Plan

Requirement	Topic
Change to State Comprehensive Plan (Policy 10.6 & 15.8)	Identify, where appropriate, the applicable land use categories and conditions that may be suitable for low carbon emitting power plants. Also, identify what incentives, if any, the City wishes to seek to attract such industries.
Change to State Comprehensive Plan (Goal 11)	Consider developing appropriate policies related to energy conservation and efficiency that will lead to a reduction in atmospheric carbon dioxide.

Florida Administrative Code

Requirement	Topic
Change to Florida Administrative Code (9J-5.010(1)(c))	Identify, where appropriate, the applicable land use categories and conditions that may be suitable for low carbon emitting power plants. Also, identify what incentives, if any, the City wishes to seek to attract such industries.
