## BUDGET MESSAGE IN BRIEF

## Budget

June 29, 2016
The Honorable Mayor and
City Council Members
Presented here is the proposed tentative budget for Fiscal Year 2016-2017 as prepared by staff and reviewed and submitted by the City Manager.

This budget is a reflection of the emergence of a more positive economic environment and an expansion of the level of service in the area of Police and Public Works. Whereas previous budgets submitted since the Great Recession were efforts to maintain existing service levels this budget provides enhanced services with no increase in the tax burden, a below rolled back millage rate, and substantial infrastructure improvements.

The tentative budget proposes a millage rate of 4.9599 mills, which is 0.3157 mills less than the current millage rate of 5.2756 mills; of particular note is the fact that taxable property values have increased approximately $\$ 7,256,960$ or $7.7 \%$ more than the prior year final taxable value of $\$ 95,357,737$. The increase in valuation coupled with a return to normalcy for our primary revenues, other than ad valorem, provide optimism moving forward.

## General Fund

The General Fund is the meat and potatoes of local governments and contains the services that constituents are most likely to evaluate vis-à-vis their taxes. The two departments proposed for expansion are the most tangible to our residents, Public Works, and Police. The former is proposed to receive an additional part-time laborer upgraded to full time and the latter is proposed to receive an additional fulltime officer.

The successful efforts of the City to create additional parks, preserve, and stormwater areas have increase the demands on the Public Works. The proposed part-time position will allow the department to keep up with mowing as well as be more proactive on stormwater micro-projects throughout the City.

The proposed officer position is predicated on the receipt of COPS grant that has been submitted to the Department of Justice for consideration. The purpose of this position is to enhance community trust. The grant will fund $75 \%$ of the position for three years with a requirement for the City to maintain the position for an additional year. If the City is not successful in our pursuit of the grant the City Manager and the Police Chief will collaborate on the most effective way to utilize the budget matching funds. The Police Department is further supported with budgeted capital to include one new vehicle and office furniture.

The General Fund also includes the following assumptions:

- A 3\% salary increase for all employees
- No increase in the City contribution to the ICMA plans making the contribution at $13 \%$ of eligible wages; the employee contribution will remain at 4\%
- A $12 \%$ increase in Health related insurance premiums
- No increase in liability insurance premiums except for additional exposure

## Special Revenue Funds

The Special Revenue Fund Section contains funds which are restricted in nature by statute or grant terms. This section contains the Infrastructure Fund, the Local Option Gas Tax Fund, and the following grant funds:

- $\$ 1,000,000$ for CDBG Phase VI
- \$1,750,000 for CDBG-ED/ALF
- \$ 154,440 for FDOT I-95/CR-512 Beautification
- \$ 400,000 for FDEP Rail Trail Greenway / PK. Lateral to Willow
- \$ 200,000 for FRDAP HC\&J Stormwater Park
- \$ 400,000 for Trailhead Preserve Phase II (LWCF)
- \$ 113,000 for FRDAP Little League Park
- \$ 93,700 for Fellsmere Reserve Rail Trail (CRTP)
- \$ 125,000 for Historic Railroad Section Foreman House
- \$ 635,000 for Culture Facilities (Old School)
- \$ 570,000 for North Regional Lake

## Enterprise Funds

Enterprise Funds are "business-like" activities and must be generally selfsufficient. This section contains Water, Wastewater, Community Development, and Stormwater Funds. The Water and Sewer funds are highlighted by the Florida PSC deflator index increase of $1.29 \%$. The Community Development Department budget is anticipating no fee adjustment this year. The Stormwater Fund will be structured based on the completed rate study.

## Budget

## Capital Improvement Plan

Finally, included is the Five Year Capital Improvement Program (CIP) pursuant to the current Comprehensive Plan. The proposed CIP is made possible by the vision and commitment of the City Council together with the staff's aggressive pursuit of leveraging opportunities.

As always this document reflected the collective and steadfast vision of City Council. Without the efforts of the Mayor, City Council, City Manager, and City Staff, this budget process could not have been accomplished.

Respectfully submitted,

Jason R. Nunemaker
