

A few reminders from the Community Development Department ...

WHEN IS A BUILDING PERMIT REQUIRED?

Listed below are examples of work that require a building permit. The list does not include all types of work that may require a permit. If the work you would like to do is not listed, please contact the Community Development Department at 772-646-6314 and ask to speak with our Permit Clerk.

A permit is required for ...

- Re-roof
- New fences or replacement of existing fences
- Driveways and patios
- Culvert Pipes (under driveway)
- Windows or Exterior Doors
- Water Heaters
- Air Conditioners
- New siding or stucco
- Additions to homes or mobile homes including porches
- Electrical of any kind
- Plumbing for new lines or fixtures such as sinks & toilets.
- New interior walls
- All sheds and other outbuildings, including steps

If you wish to do any work on a mobile home, please contact the Permit Clerk for special requirements related to mobile homes.
